Parents Suggestions & Action Taken

On the basis of Parents Feedback that was conducted during Online Parents Teacher Meet on date 29/1/2022, few significant suggestions by Parents were received. The action taken for the same is as follows.

Sr. No.	Suggestions	Action Taken
1.	Make college reopen as soon as possible	The department is bound to follow the instructions from University/Government; therefore, as and when the university/Government will notify us to go for offline classes we will definitely do it.
2.	Update students about new technologies	The department organizes workshops on recent trends in Computer Science engineering in each semester for overall development of students.
3.	Sports should be included and ground activities should be promoted.	The department has the practice of providing Sports hours to students and encourage them for the physical activities. However due to covid-19 pandemic the students are not available in college therefore the students are advised to do sports ground activities at home itself.
4.	Time period of semester should be extended for students to understand the subjects deeply	The department is bound to the standard defined timeline of the semester and the minimum numbers of lectures dedicated to learn any course have been decided by the experienced faculties and board of studies.
