Electronics & Telecommunication Engineering**

“Emerge as a center for quality education in Electronics & Telecommunication Engineering, so as to create competent professionals”

Academic Session 2021-22 (ODD)

Report on Action Taken (Academic Feedback-I)

Date: 20/01/2022

- Academic feedback has been discussed with respective course incharge after feedback analysis. Action plan for further improvements was provided by respective faculty members and followed by appropriate remarks by Head of Department.
- Faculties with average feedback have been counseled for shortcomings and suggestions were advised by Head of Department.
- It was observed in the informal feedback that students are expecting some extra lectures to be delivered for Mathematics-III, Network theory and Object oriented programming & Data Structures for doubt solving. There was an issue of board clarity in network Theory Classes. So it was conveyed by head of department to the concern faculties for necessary action.
- Also faculty members with excellent feedback have been appreciated by Head of Department for their efforts in order to motivate them.

Dr. Abhay R. Kasetwar
