## **Report on Student Feedback-I**

Session: 2021-22 (ODD Semester)

Student Feedback-I was conducted using the ionCUDOS Platform. Question wise feedback was generated on the ionCUDOS platform for each course. Further, subject wise analysis was done using MS Excel. The summary was discussed with concerned faculty members by the Head of Department.

**The key observations and actions are listed as follows:**

- ❖ It is observed that for all the courses theory & practical as listed in Student Feedback-I consolidated chart are having feedback above 75%.
- ❖ The feedback is shown to the concerned course In-charge, shortfall identified, and corrective actions suggested by the Head of the Department.
- ❖ Efforts of Course In-charges appreciated and motivated them to perform better.
- ❖ Appreciation letters are issued to Course In-charges having the highest rating in feedback.

## **Report on Student Feedback-I**

Session: 2021-22 (ODD Semester)

Student Feedback-I was conducted from **25<sup>th</sup> to 30<sup>th</sup> of October for V and VII semester** students as per academic calendar. The responses from students have been scrutinized, summarized using Google form and MS Excel. The summary is discussed with concerned faculty members by the Head of Department.

**The key observations and actions are listed as follows:**

- ❖ It is found that all the courses theory & practical as listed in Student Feedback-I consolidated chart are having feedback above 70% i.e. very good.
- ❖ The feedback is shown to the concerned course In-charge, shortfall identified and corrective actions suggested by Head of the Department.
- ❖ Efforts of Course In-charges appreciated, and motivated them to perform better.
- ❖ Appreciation letters are issued to Course In-charges having highest rating in feedback (one from each semester).

## **Report on Student Feedback-II**

Session: 2021-22 (Even Semester)

Student Feedback-II was conducted from **29<sup>th</sup> March to 1<sup>st</sup> of April for VIII semester** students as per academic calendar. The responses from students have been scrutinized, summarized using Google form and MS Excel. The summary is discussed with concerned faculty members by the Head of Department.

### **The key observations and actions are listed as follows:**

- ❖ It is found that all the courses theory & practical as listed in Student Feedback-II consolidated chart are having feedback above 70% i.e. very good.
- ❖ The feedback is shown to the concerned course In-charge by the Head of the Department.
- ❖ Efforts of Course In-charges appreciated and motivated them to perform better.
- ❖ Appreciation letters are issued to Course In-charges having highest rating in feedback (one from each semester).
- ❖ The feedback will be considered for subject allotment in the next semester.
