ACTION TAKEN ON SUGGESTIONS RECEIVED FROM STAKE-HOLDERS 2021-22 (EVEN)

The following actions are incorporated by the Institute against the suggestions received from its stakeholders:

1. **Support for Industry Exposure and trainings on recent technologies from the Institute:** In this regard, the department asked to specify the details. As per the opinion of the department, the teachers training in the software domain to be arranged in the reputed industry. The concerned department shall submit the same before the start of the non-teaching period.
2. **Necessity of focus towards faculty welfare like two Saturday off in a month or send faculty out for networking with renowned Institutes:** Right now it is not possible. Regarding the networking, the department can send the faculty members to renowned institutes with prior permission on any working day.
3. **Faced power cut off issues frequently on Wednesday:** The power supply cut off on Wednesday due to the load shedding. However, whenever the department needs the uninterrupted supply, they can request the authorities and it can be sorted out.
4. **Need transportation facilities:** This facility is already available to staff members.
5. **Existing Black-board should be replaced with the white-board due to problem of low visibility:** Now, the black board of all the computer laboratories for all the departments to be replaced by white board.
6. **Maintenance of water cooler:** The Institute is regularly maintaining the water coolers. However, if there is any problem regarding the maintenance, it can be notified in the register maintained in the admin department.
7. **Electrical Computer lab should be made air-conditioned as computers malfunctions due to temperature:** The concerned department shall submit requirement depending upon the necessity it can be sanctioned.
