

## ANNOUNCEMENT

### 2<sup>nd</sup> International Conference on

### “Advancement in Science, Technology and Management”

(Hybrid Mode)

27<sup>th</sup> -28<sup>th</sup> July, 2023

S.B. Jain Institute of Technology, Management and Research, Nagpur

(An Autonomous Institution affiliated to RTMNU, Nagpur)

#### ABOUT THE INSTITUTE

S.B. Jain Institute of Technology, Management & Research (SBJITMR) is an initiative of Shri Shantilalji Badjate, who devoted his lifetime to the field of education. His dream to build a world class educational infrastructure led to the beginning of Sir Shantilal Badjate Charitable Trust, Nagpur. The Institute is a self-financed, Hindi linguistic minority Institute affiliated to Rashtrasant Tukadoji Maharaj Nagpur University, Nagpur; approved by All India Council for Technical Education, New Delhi and Directorate of Technical Education, Maharashtra State. It is accredited with NAAC ‘A’ Grade. Since its inception, SBJITMR has continuously seen a rise in popularity amongst the aspiring students and their parents. It has become a preferred destination of the students due to quality technical education, matching infrastructure, robust teaching-learning practices as well as holistic growth and good employability. The Institute has a dedicated team of highly qualified and experienced faculty Members. The Institute has been conferred with Autonomous Status by the University Grants Commission (UGC), New Delhi and Rashtrasant Tukadoji Maharaj Nagpur University (RTMNU) from Academic Session 2020-21 onwards. Autonomy is a functional status given to the colleges by the University Grants Commission and the affiliated University. Autonomy provides the most flexibility towards academic development for the uplift of academic standards and excellence.

#### ABOUT THE CONFERENCE

The aim of this conference is to bring the researchers from different domains of basic and applied sciences, engineering and management to a common platform wherein they can interact and share their contributions in recent research areas in these fields.
