ACADEMIC COUNCIL

| MINUTES OF MEETING-1|03.03.2021 | TIME: 12.30 pm |

Mr. Ranjit Singh emphasized the need of training students from the first year to make students more employable.

Mr. Sandeep Darwhekar emphasized the importance of projects/mini-projects in engineering course. He also stressed on the significance of students going to industry from first year.

Mr. Ranjit Singh discussed the importance of sharing the significance of various subjects in the curriculum with the students. As per his input, the students should have the knowledge about why the students are learning specific subjects.

RESOLUTION 7: Resolved that

- a. Emphasis will be given on training the students in the industry environment from first year.
- b. Emphasis will be given on students going for projects/mini-projects in early semesters of graduation.
- c. Students will be communicated about the significance of all the subjects that are being taught.

The meeting ended with the vote of thanks by Principal, Dr. Sanjay Badjate.

He assured that he and his team will implement Autonomy in the best spirit and take the Institute to a new horizon.
