Report on Action Taken against Academic Feedback-I

Year/Semester/Section: Second/III and Third/V/A&B

Date: 23/12/2022

- Academic feedback has been discussed with respective course in-charges after feedback analysis.
- Action plan for further improvements was taken by individual faculty member.
- The Head of Department has also given the appropriate remarks to the faculty members for further improvements in individual courses.
- The average feedback was found below satisfactory in the following courses

III Semester:

1. Digital Electronics
2. Electronic Devices and Circuit
3. Electronic Devices and Circuit Lab

V. Semester:

1. CMOS VLSI
2. Microprocessor and Microcontroller Lab

The head of department had a detailed discussion with concerned course in-charges regarding the same and asked them for improvement.

- The faculty members with average feedback have been counseled for shortcomings and suggestions were advised by Head of Department for the improvement.
- Also faculty members with excellent feedback have been appreciated by Head of Department for their efforts as a part of motivation.
