Seminar on "Data and Structural Data Importance in Machine Learning, Artificial Intelligence and Data Science"

Link of social media (Facebook):	https://www.facebook.com/officialsbjain/
Academic Year:	2022-23
Quarter:	3
Activity Name:	Seminar on "Data and Structural Data Importance in Machine Learning, Artificial Intelligence and Data Science"
Program Type (FDP /Conference/Ind. Visit, etc.):	Personality Development
Program Theme (startup/IPR/Incubation, etc.):	-
Duration of activity (minutes):	3:30 hours
Date:	18/03/2023
No. of Students Participant:	56 (AI & DS)
No. of Faculty Participant:	6
No. of External Participant:	-
Expenditure Amount:	NA
Remark:	Successfully Completed
Mode of session:	Offline
Objective:	Understanding the importance of data in machine learning, artificial intelligence, and data science, Learning about different types of data and how they can be structured, Exploring the role of data preprocessing in machine learning, Understanding the importance of data visualization, Understanding the role of data quality in machine learning.

Session: 2022-23 (ODD)

Name of Course	Expert Talk on " Career Placement Challenges in IT Industry "
In Collaboration with	IEEE CS CHAPTER
Details of Trainer	Mr. Gundhar Patwardhan, Director, S2P Edutech, Nagpur
Date	16/09/2022
No. of students participated	111
Objectives	The objective of this seminar is to help students to get their higher studies from Foreign Countries.

Details:

Career objective or resume objective acts as the patch of your resume. It mentions the goal and objective of your career. Even though it is not a strict requirement to include a resume objective in your resume, a well-written objective can help you catch the attention of the recruiter. But, before you build that powerful resume and start applying, ensure you know how to find a great workplace. To secure a challenging position in a reputable organization to expand my learnings, knowledge, and skills.

Secure a responsible career opportunity to fully utilize my training and skills, while making a significant contribution to the success of the company. Seeking an entry-level position to begin my career in a high-level professional environment. To secure employment with a reputable company, where I can utilize my skills and business studies background to the maximum. Seeking a challenging career with an MNC. A highly organized and hard-working individual looking for a responsible position to gain practical experience. To make use of my interpersonal skills to achieve the goals of a company that focuses on customer satisfaction and customer experience.

The Expert Talk was conducted on 16th September, 2022. Mr. Gundhar Patwardhan, Director, S2P Edutech, Nagpur was expert to conduct the Expert talk. Total 111 students and 3 faculty members have been benefited from this workshop. Students were very much motivated and attended workshop with a great enthusiasm. Dr. Animesh Tayal HOD of the Computer Science and Engineering Department, congratulated and expressed the joy of success for pulling out such a successful Guest Lecture for the students.

In Collaboration with	
Details of Trainer:	Mr. Hitesh Dewani, HR Mentor
Date	2/3/2023
No. of students participated	105
Objectives	<ul style="list-style-type: none"> • To aware the students on time-bound answering of aptitude tests • To aware the students to persuade technical knowledge in the area of study • To aware how to enhance the programming skills of student • To groom the students to the corporate level • To help boost the students' confidence level through soft skills training

Details:

Department of Computer Science and Engineering organised a Seminar on "Preparation on Campus Recruitment Training (CRT)" for the students of IV Semester on 2nd March, 2023 at MBA Seminar Hall from 2:30 PM to 5:30 PM.

Seminar was delivered by Hitesh Dewani, Co-Founder and Director at H R Mentors Nagpur, Maharashtra, India. His qualities are:

- Experienced Co-founder with a demonstrated history of working in the test prep industry;
- Skilled in Soft Skills, E-Learning, Business Relationship Management, Business Development, and Employee Engagement.

- Strong professional with an MBA focused in Marketing & Finance from ICPAI BUSINESS SCHOOL.
- Conducted over a hundred workshops / sessions / guest lectures and trained more than 20000 professionals and students across the nation.

The session was very interactive and it's the answer of most important question i.e. **Why Campus Recruitment Training (CRT) is necessary?** Also, the main objective of the seminar was to aware the students on time bound answering of aptitude tests, persuade technical knowledge in the area of study, how to enhance the programming skills of students, groom the students to the corporate level and to help boost the students confidence level through soft skills training etc.

He also gives the knowledge of - How to face interviews? And How Failure comes in life? But you have to be focus and be positive and works with full dedication and determination etc.

Total 102 students of IV semester from both sections were present for the seminar with full enthusiasm. Felicitation of Mr.Hitesh Dewani is done by Dr. Rashmi Jain, Associate Professor, SMIITMR, Nagpur. Faculty Co-ordinator Mrs. Smita Wankhede and Mrs. Sonam Chopade, Assistant Professor, SMIITMR, Nagpur were present during seminar. Vote of thanks is done by Ms. Sakshi Patil, IV sem student of CSE department.

In Collaboration with	suiGENERiS Committee
No. of Student Participants	140
No. of Faculty Participants	2 (Prof Swapnil Mahajan, Prof Aniket Bhojar)
Details of Guests	President: Ashwini Choulwar Secretary: Dr. Amrita N. Wairagade Guided by: Dr. Shefali Chavhan
Date	15/03/2023
Timing	3:30 pm –5:30 pm
Objectives	1. It helps to improve physical, mental and health while keeping you focused on your goals. 2. It benefits on overall health.

Details:

The suiGENERiS forum committee in collaboration with JCI Nagpur Lotus, conducted an activity on "Zumba: Get Fit with the Best" on 15th March 2023 for IV&VI semester students of CSE. The intent of Zumba is to develop the importance of health in daily life and to appeal people's wish to enjoy themselves while exercising as well as lose weight and improve their overall fitness, flexibility and endurance. It involves resistance training intended to build strength while the more basic forms are lower impact and usually slower paced. The students enjoyed the event and performed this activity.

The event was fairly conducted by suiGENERiS CSE forum

DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING

"To provide a career for quality education in the field of computer science & engineering and to create competent professionals."

Session: 2022-2023 (EVEN)

Name of Course	Expert Lecture on "Security in Internet of Things"
Resource person	Mr. Abhay Deshpande
Date	21/03/2023
No. of students attended	53 Students
Objectives	To educate and raise awareness about the importance of IoT security, while providing practical solutions and promoting a proactive approach to mitigate risks and protect against potential threats.

Details:

On 21/03/2023 S. B. Jain Institute of Technology, Management and Research conducted an expert lecture on "Security in Internet of Things".

Workshop was conducted by Mr. Abhay Deshpande who aimed to Introduce Security in IOT Devices to students and familiarize them with its need.

The lecture on SIOT provided valuable insights into the challenges and best practices for securing IoT devices and networks. Mr. Abhay Deshpande highlighted the exponential growth of connected devices and the need for a proactive approach.

The lecture emphasized the risks of unauthorized access, data breaches, and compromised privacy in IoT systems. The students gained valuable knowledge on securing IoT ecosystems through robust authentication, encryption, access control, and continuous monitoring.

Industry expert covered various topics such as :

- IoT Security Landscape
- Scale and Complexity of IoT Systems
- Lack of Standardization in IoT Security
- Data Encryption and Privacy
- Access Control and Authorization
- Network Segmentation
- Continuous Monitoring and Vulnerability Management

Conclusion:

The workshop was successful in introducing the importance of Security in the Internet of Things.

suiGENERIS 2022-23

Name of Activity	Sports Event (Football)
In Collaboration with	suiGENERIS Committee
No. of Student Participants	3 teams (15 players each)
No. of Faculty Participants	Mr. Tody Jagyasi
Details of Guests	Mt. Yogesh Shinde Mr. Sarvesh Biyani Mrs. Mrudula Nimbarte Mrs. Roshai Talmale Mrs. Sonali Zhunke
Date	25/03/23
Timing	3:30 pm - 5:30 pm
Objectives	1. Sports are very essential for every human life which keeps them fit and fine and physical strength. 2. Football helps to increased stamina.it develops team spirit and leadership.

Details:

The suiGENERIS forum committee in collaboration with the EMERGICON forum committee conducted a sports event on "Football" on 25th March 2023 for IV&VI Semester students of CSE, AIDS & AIML. The intent of sports activity is to develop and help to improve your overall cardiovascular health and should see endurance increase over time if it's played frequently. Football is a combination of running, walking, sprinting, and kicking. This can bring benefits including increased stamina.

There were 3 teams who participated in this event. By hit system, the CSE 2nd-year boys team went directly to finals and the other two teams EMERGICON boys team & CSE 3rd-year boys team played a match in the EMERGICON boys team and defeated the 3rd-year boy's team. Finals were played between the EMERGICON boys and CSE 2nd-year boys teams. By defeating CSE's 2nd-year boy's team won the match. The team got a cash prize for winning the match. The event was fairly conducted by suiGENERiS, CSE forum.

Interaction with Girl Students on Health and Hygiene in campus

Date: 11th February, 2023

Details of the activity:

The workplace may become a den of microbes making it susceptible to detrimental health consequences, if proper hygiene and sanitation measures are not followed. Hygiene is important in the workplace because it contributes to a healthy body and mind. So, women grievances and redressal committee of the institute had arranged an interactive session with girl students with first year department. Dr. Rupali K. Kelkar, coordinator of WGRC gave some important tips to the students for healthy life style. Dr. Farah Khan, member of WGRC discussed the various issue related to hygiene during periods. Ms. Sakshi, volunteer of WGRC presented a presentation regarding maintaining the washroom hygiene. 86 students from first year department were attended the session. In this session girls were discussed various personal issues with committee members and found remedial action plan on it.

S. No.	Question	Result (in %)
1	Rate your level of understanding of the concept covered in guest lecture	90.50
2	Rate the presentation skill & knowledge of the Speaker	81.00
3	Rate your level of satisfaction regarding the content of guest lecture	81.00
4	Will you be interested to attend such guest lecture in future?	100
5	Will you recommend this guest lecture to other student?	100
Overall Percentage (%)		

Comments/Suggestions

1	I have learned lot of things related to cyber security and technology which has not mine privately. Excellent speaker
2	Very good lecture
3	This information helpful for me
4	Very nice .Good to listen
5	Excellent session, it was amazing. request to faculty please arrange more sessions. I was really fun to listen them also want to take more knowledge from Mr. Rakheja sir.
6	I like his passion towards his job and it was a really mind blowing seminar as he told some dark secrets about the internet world. I mean there were many shocking moments as we realised that our data is not safe and private because of our own carelessness.
7	Best experience and energetic session
8	Please doing this type of guest for us that's my suggestion
9	It was so much informative but time was so less so I think to have one more guest lecture of sir for atleast 2 to 3 hours
10	All for cyber invvotion
11	Great lecture was very good it taught me lot's of things.
12	Good
13	Please increase time period of the session so student; can understand more about cyber crime. Thank you sir for this session...
14	no
15	.
16	Lecture was good
17	Amazing session it was, we really want another session to learn so many things from him.
18	Very nice lecture
19	Good lecture
20	Best
21	It was very intelligent

by Nitin Koparkar

Feedback Analysis

Semester II

(2022-2023)

Sr. No.	Question	Result (in %)
1.	Rate your level of understanding of the concept covered in guest lecture.	83.21
2.	Rate the presentation skill & knowledge of the Speaker.	84.64
3.	Rate your level of satisfaction regarding the content of guest lecture.	78.65
4.	Will you be interested to attend such guest lecturer in future?	100
5.	Will you recommend this guest lecture to other student?	85.98
Overall Percentage		86.49 %

Comments/Suggestions

Nothing.. all good

Good lecture

It would be better if it was slow

Motivational lecture

Nothing

Good one

Good

good

It was nice but I would suggest if he can speak quite slow it was very fast so I Was missing interest

Could connect with audience

Good one lecture but need more practice on presentation skills.

Good

Great

It was interesting.

Hoping to have some lectures like this

Interesting

Very informative

Guest Lecture on "Yoga,Zumba,Dance"

by Ms.Riya Vangani

Session (2022-23)

Feedback Analysis

Sr. No.	Question	Result (in %)
1	Rate your level of understanding of the concept covered in guest lecture	59.70
2	Rate the presentation skill & knowledge of the Speaker	58.20
3	Rate your level of satisfaction regarding the content of guest lecture	58.20
4	Will you be interested to attend such guest lecture in future?	97
5	Will you recommend this guest lecture to other student?	94
Overall Percentage (%)		73.42

Comments/Suggestions

1	Good
2	Excellent!
3	Better
4	It was good
5	Excellent
6	Please conduct this type of guest lecturer more we need this session
7	Session was very good and helpful too.
8	Very interesting guest lecture
9	It's really enjoyable
10	Excellent experience
11	
12	Fabulous
13	It was good
14	Enjoyed alot
15	It was remarkable.. one of the best sessions we had
16	This is very good
17	Got to experience something new and energetic.. I've enjoyed the session alot
18	The session was so energetic and empowering
19	Very enjoyable
20	Great lecture
21	Very nice to attend it
22	very good and fun session it is
23	It was ok
24	It's interesting
25	No comment
26	Definitely it was a great session no glad to part of this
27	Very helpful lecture for future
28	Good
29	It's too good we enjoyed a lot
30	Maybe No.
31	I enjoyed alot and I think it is necessary too for our mind and body to refresh
32	It was good
33	More time for yoga session
34	Amazing

35	Enjoyed the SESSION
36	Nothing suggestions
37	The session was very interesting. I enjoy lots. Thanks riyz ma'am.
38	It was amazing
39	Nothing
40	The activities was Good
41	Nothing
42	It's osalam. it is a very fun session. I liked it
43	
44	***
45	It was amazing.
46	no
47	Very nice but required suggestions
48	OK
49	No suggestions
50	Interactive
51	I enjoyed it
52	This session is very enjoyable and relaxing
53	Enjoyable session thanks
54	-
55	Very Good
56	Nice great opportunity to development of skills other activities
57	Zumba session was awesome
58	better
59	Good
60	Excellent
61	Better
62	It was good
63	Excellent
64	Please conduct this type of guest lecturer more we need this session
65	Session was very good and notful too
66	Very interesting guest lecture

Guest Lecture on Equity Market Technical Analysis

by Tushar Kale
Feedback Analysis

Semester II
(2022-2023)

Sr. No.	Question	Result (in %)
1.	Rate your level of understanding of the concept covered in guest lecture.	73.21
2.	Rate the presentation skill & knowledge of the Speaker.	84.38
3.	Rate your level of satisfaction regarding the content of guest lecture.	74.38
4.	Will you be interested to attend such guest lecturer in future?	100
5.	Will you recommend this guest lecture to other student?	89.98
Overall Percentage		84.39 %

Comments/Suggestions

Good

great

Like to attend more

Body language

its a good lecture

So nice and e

Session was so amazing and informative got to learn about new things

Good

Good knowledgeable and interested lecture

One suggestion to add all about mutual fund in deep

Good delivering the content

Excellence

Sound quality is good

Projector angles can be made more perfect

Excellent

Session was very informative and interesting I've got learn new things which was very helpful..

It was very good and informative lecture.

Activity Report

Session: 2022-23 (EVEN)

Report Summary	
Name of Activity	Value Added Course on “Use of Excel, Power Point and LinkedIn for Professional growth”
Date of Activity	20/05/2023 – 06/06/2023 (10.00 AM -06.00 PM)
Name of faculty members	Prof. Ajay Joshi, Assistant Professor, Department of Mechanical Engineering, SBJITMR, Nagpur
Name of Internal Coordinator	Mr. Ajay Joshi.
Place of Activity	M005, Computer Centre, SBJITMR, Nagpur
Purpose of Activity	The purpose of this course was to introduce Microsoft Excel, Power Point and LinkedIn in their Programme. With this course student will be able to Apply the knowledge of Microsoft Excel, Power Point and LinkedIn also they will Organize and Analyze data using Microsoft Excel, Create Professional LinkedIn Profile and interactive Power Point presentations.
No. of students participated	60 (Second Year)
Summary of Activity	<p>Department of Mechanical Engineering, S.B. Jain Institute of Technology Management and Research, has organized a course on “Use of Excel, Power Point and LinkedIn for Professional growth” for second year students from 20/05/2023 – 06/06/2023. The session started with the course introduction, Course Objectives, Course Outcomes, Course Content and software required for the course.</p> <p>The course was divided into Three Modules (Total course duration 30 Hour) namely – Microsoft Excel (22 Hour), Microsoft PowerPoint (04 Hour), LinkedIn (04 Hour). The Session started with the hands-on session on MS Excel Fundamentals and data organization using MS Excel. In the Excel module, participants participated in hands-on exercises. These activities may involve creating budgets, analyzing sales data, or solving business problems using Excel's functionalities. Through these activities, participants gained the confidence in navigating Excel, working with formulas and functions, and utilizing data analysis tools effectively.</p> <p>The PowerPoint activities focus on designing and delivering impactful presentations. Participants will have opportunities to develop their own presentations on different topics and receive feedback from instructors and peers. The LinkedIn activities revolve around optimizing participants' LinkedIn profiles and engaging with the platform's features. The activities aim to enhance participants' networking skills, build a strong online presence, and leverage LinkedIn's resources for career advancement.</p> <p>By actively participating in the activities throughout the course, participants not only gain theoretical knowledge but also develop practical skills and experience in using Excel, PowerPoint, and LinkedIn. These hands-on activities help participants build confidence in applying these tools in their professional lives.</p>

APPROVAL NOTE

Date: 16/5/23

1. To enhance transferable and life skills to the students and enhance analytical skills of students, the value added course/certification course on "Use of Excel, Powerpoint and LinkedIn for Professional Growth" is proposed to be undertaken.

COURSE NAME: USE OF EXCEL, POWERPOINT AND LINKEDIN FOR PROFESSIONAL GROWTH

COURSE TYPE: VALUE ADDED COURSE/ CERTIFICATION COURSE

COURSE DURATION: 30 HOURS

COURSE ELIGIBILITY FOR INCENTIVE MARKS: YES

2. This course shall help students to develop analytical, logical, and Problem-Solving which will enhance their employability. The content of the course are taken from NPTEL, Udacity & Coursera platforms and are relevant to the current industry requirement.

3. Hence, the course is put up for approval.

DEPARTMENT OF MECHANICAL ENGINEERING
Value Education - Education for All - Education for All - Education for All

YEAR/ SEMESTER: II/ IV

Course Type	Course Title	Course Duration (Hr.)
Value Added Course	Use of Excel, PowerPoint and LinkedIn for Professional Growth	30

COURSE OBJECTIVES

The objective of this course is –

Student should be able to organize & analyze data, interpret results through Excel's visualizations and create Professional LinkedIn Profile and interactive Power Point presentations.

COURSE OUTCOMES

Students will be able to -

- [1] CO1: Understand the fundamentals and importance of Microsoft Excel, Power Point and LinkedIn.
- [2] CO2: Apply the knowledge of Microsoft Excel, Power Point and LinkedIn.
- [3] CO3: Organize and Analyze data using Microsoft Excel.
- [4] CO4: Create Professional LinkedIn Profile and interactive Power Point presentations.

SYLLABUS

Module 1: Microsoft Excel

1. Launching Excel, Introduction to the Excel Interface, Customizing the Excel Quick Access Toolbar, Understanding the Structure of an Excel Workbook, Saving an Excel Document, Opening an Existing Excel Document, Common Excel Shortcut Keys.
2. Entering and Editing Text and Formulas: Entering Text to Create Spreadsheets Tables, Working with Numeric Data in Excel, Entering Date Values in Excel, Working with Cell References,

S. B. JAIN INSTITUTE OF TECHNOLOGY, MANAGEMENT & RESEARCH, NAGPUR.

(An Autonomous Institute, Affiliated to RTMNU, Nagpur)

DEPARTMENT OF MECHANICAL ENGINEERING

Quality Education with a Difference - Inspiring Mechanical Engineering students

- Creating Basic Formulas in Excel, Relative Versus Absolute Cell References in Formulas, Understanding the Order of Operation.
3. Importing and Exporting Data: Importing Data from Text Files, Importing Data from Microsoft Access, Exporting Data to a Text File.
- Printing an Excel Worksheet: Viewing your Document in Print Preview, Changing the Margins, Scaling and Orientation, Working with Page Layout View, Adding Header and Footer Content, Printing a Specific Range of Cells.
- Working with Basic Excel Functions: The syntax of an Excel Function, Working with the SUM() Function, Working with the MIN() and MAX() Functions, Working with the AVERAGE() Function, Working with the COUNT() Function, Using the AutoSum Command, Using the AutoFill Command to Copy Formulas.
4. Inserting Images and Shapes into an Excel Worksheet: Inserting Images, Inserting Excel Shapes, Formatting Excel Shapes, Working with Excel SmartArt.
5. Modifying an Excel Worksheet: Moving and Copying Data in an Excel Worksheet, Inserting and Deleting Rows and Columns, Changing the Width and Height of Cells, Hiding and Unhiding Excel Rows and Columns, Deleting an Excel Worksheet, Renaming an Excel Worksheet, Moving and Copying and Excel Worksheets.
6. Formatting Data in an Excel Worksheet: Working with Font Formatting Commands, Changing the Background Color of a Cell, Adding Borders to Cells, Formatting Data as Currency Values, Formatting Percentages, Using Excel's Format Painter, Creating Styles to Format Data, Merging and Centering Cells, Using Conditional Formatting.
7. Creating Basic Charts in Excel: Creating an Excel Column Chart, Working with the Excel Chart Ribbon, Adding and Modifying Data on an Excel Chart, Formatting an Excel Chart, Moving a Chart to another Worksheet, Working with Excel Pie Charts.
8. Working with an Excel List: Understanding Excel List Structure, Sorting a List Using Single Level Sort, Sorting a List Using Multi-Level Sorts, Using Custom Sorts on an Excel List, Filtering an Excel List Using the AutoFilter Tool, Creating Subtotals in a List, Format a List as a Table, Using Conditional Formatting to Find Duplicates, Removing Duplicates.
9. Excel List Functions: Excel Function: DSUM(), Excel Function: DAVERAGE(), Excel Function: DCOUNT(), Excel Function: SUBTOTAL()

S. B. JAIN INSTITUTE OF TECHNOLOGY, MANAGEMENT & RESEARCH, NAGPUR.

(An Autonomous Institute, Affiliated to RTMNU, Nagpur)
DEPARTMENT OF MECHANICAL ENGINEERING
From Energy from earth to the world Mechanical Engineering Education

- 10 Working with Excel's Conditional Functions: Working with Excel Name Ranges: Using Excel's IF() Function, Nesting Functions: Using Excel's COUNTIF() Function, Using Excel's SUMIF() Function, Using Excel's IFERROR() Function
- 11 Working with Excel's Lookup Functions: Using Excel's VLOOKUP() Function, Using Excel's HLOOKUP() Function, Using Excel's INDEX() and MATCH() Function
- 12 Working with Excel's Text-Based Functions: Using Excel's LEFT(), RIGHT() and MID() Functions; Using Excel's LEN() Function, Using Excel's SEARCH() Function, Using Excel's CONCATENATE() Function.

Module 2: Microsoft PowerPoint

1. Blank and Sample Presentations, Adding Text boxes, Edit, Copy, Cut & Move Text, Format Text Boxes, Add Slides & Change Layouts, Import or Reuse Slides, Arranging Slides, Themes & Backgrounds, Slide Navigation, Presentation Views,
2. Formatting Text, Formatting Paragraphs, Bullets & Numbered List
3. Capture Images & Insert Pictures, Photo Albums, Drawing Shapes, Advanced Shapes, Merge Shapes, WordArt, SmartArt Graphics, Copy, Resize & Style Objects, Formatting Objects, Grouping Objects, Object Ordering & Layering, Gridlines & Guides
4. Insert & Formatting Tables, Insert Table from Word, Insert Excel Spreadsheet, Create & Modify Charts, Animations and Slide Show
5. AutoCorrect, Check Spelling & Grammar, Smart Lookup & Thesaurus, Accessibility Checker, Sectioning Slides, Slide Transition Effects, Animation Effects, Speaker Notes, Slide Orientation & Size, Print Presentation Options, Hide & Show Slides, Create Handouts in Word, Word To PowerPoint, Slide Show & Shortcuts

Module 3: LinkedIn

LinkedIn Introduction: Create professional LinkedIn profile, technique to add hundreds of connections, create a LinkedIn headline and summary, endorsements and recommendations in LinkedIn

Total Hours: 30

Notice			
All the students of 2 nd year B. Tech Mechanical Engineering are hereby informed that the department has organized a value added course on "Use of Excel, PowerPoint and LinkedIn for Professional Growth" from 20 th May 2023 to 6 th June 2023.			
All students should register and attend the course compulsorily.			
The detailed schedule of the course is given below -			
Mod. No.	Topic Name/Description	Date	Time
1	Module 1- Microsoft Excel	20 th May 2023 to 6 th June 2023	10:00 AM to 01:00 PM
2	Module 2- Microsoft PowerPoint		<u>FREE</u>
3	Module 3- LinkedIn		01:45 PM to 05:00 PM
Course Evaluation Criteria:			
1. Continuous Assessment	50 Marks (3 Surprise Tests)		
2. Assignments	20 Marks (2 Assignments)		
3. Practical Examination	30 Marks (Activity based assignments - 40 Marks and Viva - 10 Marks)		
TOTAL MARKS	100 MARKS		
Passing Marks (50%)	50 MARKS		
Minimum 80% attendance in the Value -Added Course			
Note: Students may be eligible for awarding medals, based on the above course, as per the criteria set/ given in academic rules and regulations.

8. Course Completion Assignment / Test

Assignment

Assignment-I: Sales Analysis using Microsoft Excel/ Google Spreadsheet

Problem: Sales Analysis - "Upload the result and Excel file here"

You work for a retail company and have been given a dataset containing sales information for various products. Your task is to analyze the data and provide insights to the management.

Generate a Dataset:

The dataset contains the following columns:

- **Product:** The name of the product.
- **Category:** The category of the product (e.g., electronics, clothing, groceries).
- **Price:** The price of the product in dollars.
- **Units Sold:** The number of units sold for each product.

Tasks:

1. **Calculate Total Sales:** Create a formula to calculate the total sales for each product, which is the product of price and units sold.
2. **Determine Top Selling Products:** Use a function to identify the top-selling products based on the units sold. Create a separate column to rank the products from highest to lowest.
3. **Analyze Category Sales:** Calculate the total sales for each category by summing up the sales of all products in that category.
4. **Calculate Average Price:** Determine the average price of all products.
5. **Generate Sales Summary:** Create a summary table that displays the total sales, average price, and number of products sold for each category.

Assignment-II: Sales data Visualization using Microsoft Excel/ Google Spreadsheet

Make a attractive dashboard (At least make 03 charts) for the Company Management that shows glimpses of sales data using Microsoft Excel/ Google Spreadsheet.

Assignment-III: Make a Power Point Presentation for the explanation of the Sales of products, reports to the Higher Management which includes dashboard and Sales data Visualization

Surprize tests

Surprize Test-I

Which of the following is a popular spreadsheet software used for data analysis and visualization?

- a) Excel
- b) PowerPoint
- c) Word
- d) Photoshop

In Excel, which function is used to calculate the average of a range of cells?

- a) SUM
- b) MAX
- c) AVG
- d) COUNT

Which Excel feature is used to filter data based on multiple criteria?

- a) AutoFilter
- b) Conditional formatting
- c) Data validation
- d) Advanced filter

Which chart type is used to show the trend of data over time in Excel?

- a) Line chart
- b) Bar chart
- c) Pie chart
- d) Scatter plot

What is the keyboard shortcut to quickly select the entire column in Excel?

- a) Ctrl + C
- b) Ctrl + X
- c) Ctrl + Space
- d) Ctrl + P

Surprize Test-II

Which tab in MS PowerPoint allows users to apply pre-designed styles and themes to their presentation?

- a) Home tab
- b) Insert tab
- c) Design tab
- d) Animations tab

MS PowerPoint provides different slide layouts that determine:

- a) The arrangement of content on a slide
- b) The color scheme and font style of a presentation
- c) The transition effects between slides
- d) The timing and duration of animations

What is the purpose of slide transitions in MS PowerPoint?

- a) To create visual effects when moving from one slide to another
- b) To align and distribute objects on a slide

- c) To check the spelling and grammar of the presentation
- d) To add audio narration to the slides

How can a presenter view their speaker notes while delivering a presentation in MS PowerPoint?

- a) By selecting the "Presenter View" option in the Slide Show tab
- b) By opening a separate window with the notes section
- c) By printing the notes as handouts
- d) By using a second monitor or projector

MS PowerPoint allows users to save their presentation in various formats, including:

- a) PowerPoint presentation (.pptx)
- b) Word document (.docx)
- c) Excel spreadsheet (.xlsx)
- d) Photoshop image file (.psd)

Surprize Test-III

LinkedIn is primarily used for:

- a) Social networking
- b) Video editing
- c) Online shopping
- d) Word processing

LinkedIn is often used for:

- a) Job searching and recruitment
- b) Photo editing and graphic design
- c) Movie streaming and entertainment
- d) Financial calculations and investments

LinkedIn allows users to:

- a) Connect with professionals in their industry
- b) Edit and format documents
- c) Create and publish websites
- d) Listen to music and podcasts

What feature of LinkedIn allows users to endorse others for their skills?

- a) Recommendations
- b) Connections
- c) Endorsements
- d) InMails

What is the purpose of a LinkedIn profile?

- a) To showcase professional experience and skills
- b) To share personal photos and updates
- c) To create online events and invitations
- d) To play online games

Final Test

Value Added Course Excel, PPT, LinkedIn /2022-2023/EVEN

S. B. JAIN INSTITUTE OF TECHNOLOGY, MANAGEMENT & RESEARCH, NAGPUR.

(An Autonomous Institute, Affiliated to RTMNU, Nagpur)

DEPARTMENT OF MECHANICAL ENGINEERING

Vision: Emerge as an excellent centre for Mechanical Engineering education

Session: 2022-23

Final Test on “Value Added Course Excel, PPT, LinkedIn”

Time: 01.00 HR

IVSEM / II Year / Sec: A / B

Max. Marks: 40 M

Note: Assume suitable data whenever necessary.

Attempt any TWO.

Que. No.	Questions	Marks	CO Mapped
Q. 1	Prepare a dataset for following and perform data analysis/ visualization using MS-Excel. Suppose, You have collected survey data from customers, including their age, gender, and satisfaction ratings. How can you analyze this data in Excel to calculate the average satisfaction rating for each age group and create a stacked bar chart to compare satisfaction levels between genders within each age group?	20 M	CO2
Q. 2	Prepare a dataset for following and perform data analysis/ visualization using MS-Excel. Suppose, You are given a dataset of monthly expenses for a business. How can you use Excel to calculate the total expenses for each month, visualize the trends using a line chart, and identify months with the highest and lowest expenses?	20 M	CO2
Q. 3	Prepare a dataset for following and perform data analysis/ visualization using MS-Excel. Suppose, You have a dataset of customer feedback ratings on different aspects of your product or service. How can you analyze this data in Excel to determine the average rating for each aspect and create a radar chart to compare the performance across different areas?	20 M	CO2
Q. 4	Prepare a dataset for following and perform data analysis/ visualization using MS-Excel. Imagine you have a dataset containing sales data for a retail business. How can you use Excel to calculate the total sales revenue and generate a bar chart to visualize the sales performance by product category?	20 M	CO2

9. Sample Certificates

S. B. JAIN INSTITUTE OF TECHNOLOGY, MANAGEMENT & RESEARCH, NAGPUR.
(An Autonomous Institute, Affiliated to RTMNU, Nagpur)
DEPARTMENT OF MECHANICAL ENGINEERING
Value Added/ Certification course for Additional Engineering education

Certificate of Passing

This is to certify that, **MALAV PATEL**
of 4th Semester B. Tech (Mechanical Engineering) has successfully passed the Value Added/ Certification Course on *"Use of Excel, PowerPoint and LinkedIn for Professional Growth"* conducted by the Department of Mechanical Engineering, SBJITMR, Nagpur from 20/05/2023 to 06/06/2023. [Course duration: 30 Hours]

Activity Report

Session: 2022-23 (ODD)

Report Summary	
Name of Activity	Value Added Course on "Python Programming"
Date of Activity	24/12/2022 – 03/01/2023 (10.30 AM -05.30 PM)
Name of faculty members	Prof. Himanshu Wagh and Prof. Ajay Joshi, Assistant Professor, Department of Mechanical Engineering, SBITMR, Nagpur
Name of Internal Coordinator	Prof. Himanshu Wagh and Prof. Ajay Joshi
Place of Activity	DBMS Lab, Mechanical Engineering Department, SBITMR, Nagpur
Purpose of Activity	The purpose of this course was to introduce python programming and also to develop analytical, logical, Problem-Solving and programming skills that will enhance their employability
No. of students participated	92 (Third Year)
Summary of Activity	Department of Mechanical Engineering, S.B. Jain Institute of Technology Management and Research, Nagpur has organized a Value-Added Course on "Python Programming" for third-year students from 24 th December 2022 to 3 rd January 2023. The session started with the course introduction, Course Objectives, Course Outcomes and Course Contents. The course was divided into SIX Modules (Total course duration 48 Hour). This course was conducted in the DBMS computer lab, so that students were also able to perform the task simultaneously. Prof. Yogesh Joshi and Prof. Gaurav Mohite assisted during the course. There were various programming tasks and assignments for the students during the course duration. Students were attentive and asks various doubts.

		<p>competitive edge in today's data-driven world. He enlightened that in various industries, data analysis plays a crucial role in decision-making, process optimization, and problem-solving. He explained that by acquiring data analysis skills, one can predict equipment failures and maintenance needs, thereby reducing downtime and improving reliability. Similarly through Business Intelligence (BI) tools, software applications data can be collected, it can be analyzed, and this visualize data can provide insights and actionable information.</p> <p>At the end, an interactive question and answer session was conducted by engaging participants and addressing specific concerns and challenges related to IT Skills.</p> <p>Overall 65 students attended the guest lecture which was coordinated by Mr. Faisal Hussain, Mr. Ajay Joshi and Mr. Prasad Mangalkar.</p>

Activity Report

Session: 2022-23 (EVEN)

Report Summary	
Name of Activity	Expert session on Yoga and Meditation
Date of Activity	24/05/2023, 02.30 PM -03.30 PM
Name of Expert	Prof. Sarvesh Biyani, Certified Pranic Healer, SBJITMR, Nagpur
Name of Internal Coordinator	Mr. Ajay Joshi.
Place of Activity	Seminar Hall, Ground floor, SBJITMR, Nagpur
Purpose of Activity	The purpose of a session on Yoga and Meditation is to provide individuals with an opportunity to learn, practice, and experience the principles and techniques of yoga and meditation.
No. of students participated	60 (Second & Third Year)
Summary of Activity	<p>Department of Mechanical Engineering, S.B. Jain Institute of Technology Management and Research, has organized an Expert session on Yoga and Meditation for second and third year B. Tech Mechanical Engineering students. Prof. Biyani began by educating the participants about the origins, philosophies, and scientific basis of yoga and meditation. He emphasized the potential physical, mental, and spiritual benefits that can be achieved through regular practice. The session focused on creating awareness among participants regarding the positive impact of yoga and meditation on overall well-being.</p> <p>The participants were encouraged to actively engage in the exercises, allowing them to develop and refine their skills in yoga and meditation. The session also emphasized the importance of self-exploration, personal growth, and community support. Overall, the session led by Prof. Sarvesh Biyani provided participants with a holistic understanding of yoga and meditation. It equipped them with practical tools and techniques to improve their physical health, mental well-being, and self-awareness.</p>

Activity Report

Session: 2022-23 (EVEN)

Report Summary

Name of Activity	Seminar on Career counselling and Hands on training on CV building
Date of Activity	29/03/2023, 12.30 PM -02.30 PM
Name of Expert	Prof. Amit Tajne, Asst. Professor and Head Mechanical and General First Year Engineering, SBJITMR, Nagpur
Name of Internal Coordinator	Mr. Ajay Joshi.
Place of Activity	Seminar Hall, Ground floor, SBJITMR, Nagpur
Purpose of Activity	The purpose of this course was to guide students about the career counselling and student should be able to develop an impressive CVs.
No. of students participated	94 (Third Year)
Summary of Activity	Department of Mechanical Engineering, S.B. Jain Institute of Technology Management and Research, has organized a seminar on Career counselling and Hands on training on CV building for third year B. Tech Mechanical Engineering students. Prof. Amit Tajne has discussed about Career counselling with the students. Sir, also explained about the how to write an impressive CVs for the placement point of view. Students also asked their queries related to resume?/ CV writing.

The Department of Mechanical Engineering in association with the Industry Institute Interaction Cell (IIC) and Institution's Innovation Council (IIC) of S.B. Jain Institute of Technology, Management and Research, an Autonomous Institute affiliated to R.T.M. Nagpur University, recently organized a guest lecture on "Industry 4.0".

The expert lecture was delivered by Dr. Dhananjay Jolhe, Associate Professor, Visvesvaraya National Institute of Technology (VNIT) Nagpur. In his lecture, Dr. Jolhe discussed the various technologies that are driving Industry 4.0 and how they are transforming the manufacturing industry. He emphasized the importance of adapting the changing technological landscape and acquiring the necessary skills to succeed in the industry. He also discussed the challenges that individuals may face while entering the industry and how to overcome it. Dr. Dhananjay Jolhe highlighted the value of lifelong learning with new technical developments. Also, he offered insight into the industry's top abilities, including problem-solving, data analysis, and programming. Overall 90 students and faculty attended the guest lecture. Mr. Himanshu Wagh and Mr. Faisal Hussain (IIC Coordinator) worked hard in organizing the event.

MANTHAN Campus Recruitment Training-2023

Activity Report:

(Session 2022-23)

Name of Activity:-	Campus Recruitment Training-2022
Date of Activity	24/12/2022 to 03/01/2023
Faculty Co-coordinator:-	Ms. Ayushi Jaiswal
Participation :-	194

Activity Details:

In this comprehensive report, we embark on a journey through a ten-day Campus Recruitment Training Program (CRT-2022). This program, designed to equip students with the essential skills and knowledge required for successful career placement, covered a wide range of topics, including aptitude development, resume building, effective communication, critical reasoning, and live campus interviews. The report delves into each day of the training, highlighting key sessions and insights shared by experienced mentors and industry experts. From mathematical aptitude to presentation skills and personal interviews, this report offers a detailed account of the program's content and its impact on the participants, shedding light on the educational journey they undertook to prepare themselves for the competitive job market.

During the first day of the Campus Recruitment Training Program, the students were warmly welcomed by "Mr. Vinay Chawala," the Founder of "Enlighten the Soul." He introduced the students to the program and its objectives. "Mr. Anand Iyer," an experienced academician, then shared valuable insights on aptitude development, focusing on mathematical problem-solving techniques. His session equipped students with math tricks to tackle challenging aptitude tests, boosting their confidence and mathematical skills. The students left the session with renewed enthusiasm and a sense of empowerment.

The second day saw a continuation of Mr. Iyer's aptitude development sessions, emphasizing percentage, profit/loss, and probability. His guidance on math tricks and problem-solving techniques continued to empower the students. The day concluded with a Christmas Eve celebration, fostering a sense of camaraderie among participants.

On the third day, "Ms. Snehal Chauhan," an external mentor from NICE Systems Ltd., highlighted the importance of resume building. A session on team building for professional life by Mr. Vinay Chawala followed, engaging students in a group discussion activity. Later, "Ms. Shikha Yadav," a psychologist, enlightened the students on effective communication skills, emphasizing the significance of satisfying all parties involved in a communication.

The fourth day commenced with a group activity led by Mr. Chawala, offering students a curated collection of information. This was followed by a session with "Ms. Upasna Vanjani Chawla" on verbal skills, focusing on grammar, vocabulary, and comprehension. "Mr. Prakash Shesh," an alumnus of IIM - A & IIT - D, delved into GD and interview skills, revealing the critical role of group discussions and personal interviews in candidate evaluation.

The fifth day featured another session on math aptitude, led by "Mr. Amit Manwani." Topics like time, speed, and distance were covered, enhancing numerical aptitude and problem-solving skills. "Mr. Prakash Shesh" returned to discuss the seriousness of personal interviews and conducted a demonstration. The students gained confidence in handling interviews and grasped the importance of these opportunities.

The sixth day continued with Mr. Manwani's math aptitude session, where students learned various math tricks. The focus shifted towards presentation skills, teamwork, and improving students' confidence and communication abilities, recognizing the importance of skillful presentation in the workplace.

On the seventh day, "Ms. Upasna Vanjani Chawla" discussed critical reasoning, teaching students the rational process of obtaining, interpreting, and using knowledge to solve problems. The day included an engaging group-paper activity and a student presentation, promoting teamwork, confidence, and effective communication.

The eighth day featured an "Extempore performance" by students, building on their presentation skills. A session on "Live Campus & Mocks" by "Mr. Rajendra Chandorkar" introduced students to live campus interviews and the significance of consistent eye contact, positive body language, and confidence in mock interviews.

The ninth day marked the culmination of mock interviews by industry experts, providing students with valuable experience and reducing interview-related stress. "Mr. Rajendra Chandorkar" reiterated the importance of mock interviews in building one's confidence.

The tenth day brought the actual mock interview process conducted by industry experts, allowing students to apply what they had learned throughout the program. The day involved aptitude tests, group discussions, and personal interviews. The Campus Recruitment Training concluded with a recreational event, where outstanding students were felicitated. The participants expressed their gratitude to the college for providing them with a platform to nurture their skills, ending the program on a high note.

In conclusion, this Campus Recruitment Training Program not only provided students with a valuable skill set but also fostered a sense of confidence, preparedness, and enthusiasm as they embark on their future career journeys. It is evident that the knowledge and experiences gained during this program will continue to benefit them as they navigate the challenges and opportunities that lie ahead in the professional world.

The Department of Electronics and Telecommunication Engineering under IFTE Students Forum-ISF in association with the Institute's Innovation Council organized an Expert talk on "Exploring Pathways: Unlocking Success Through Internships". The event was organized for the students of II year Electronics and Telecommunication Engineering. The event was scheduled on 22nd May 2023 from 11:00AM.

The event was organized to gain insights on necessary knowledge, skills, and resources to make the most of their internship experiences. The speaker was Mr. Animesh Tayal, Founder-CodeMate, Nagpur. Sir gave hands-on experience that allows individuals to apply theoretical knowledge in real-world settings. Participants acquire practical skills specific to their field, enhancing their marketability and preparing them for future employment. The speaker discussed how to explore the significance of internships in unlocking success for individuals. He guided Internships provide valuable opportunities for students and professionals to gain practical experience, develop essential skills, and make connections within their chosen fields. Sit also

highlighted the requirements and expectations of prospective internships in tailoring applications and preparing for interviews. 57 students benefited from the expert talk. Dr. Abhay Kasetwar, Head of the department appreciated the event. Prof. Ayushi Jaiswal coordinated the event along with the IETE Students Forum-ISF committee

Department of Electronics and Telecommunication Engineering in association with Department of Training & Placement is organized a Seminar on "Using Technology for Global Visibility through LinkedIn." The event was organized for the students of second year Electronics and Telecommunication Engineering. The event was scheduled on May 16, 2023 from 11:00 AM onwards.

The seminar was organized with the aim of providing participants with a comprehensive understanding of the advantages and effective utilization of the LinkedIn platform for professional networking. The speaker was Mr. Chaitanya Reddy, Face Prep, Hyderabad. His lecture started with the topic on Introduction to LinkedIn: Overview of LinkedIn's features and functionalities, importance of LinkedIn as a professional networking platform. The LinkedIn seminar provided participants with valuable insights and practical strategies for leveraging the LinkedIn platform to enhance their professional network. Attendees gained a comprehensive

understanding of the advantages of LinkedIn and acquired actionable knowledge to optimize their profiles. Students understood the strategies and best practices for growing a diverse and influential network of connections on LinkedIn, enabling participants to reach a global audience and foster valuable professional relationships. At the last they provide participants 6 months premium membership of LinkedIn. Student have actively participated in one-to-one discussion with the guest, 64 students got benefited by the Seminar. Dr. Abhay Kasetwar, Head of the department appreciated the event with other faculty members. Prof. Ayushi Jaiswal coordinated the event along with the JETE Students Forum-ISF committee.

Department of Electronics and Telecommunication Engineering under Departmental forum FEETA in association with Institute's Innovation Council organized a seminar on "How To Ace Your Self Introduction in an Interview?". The event was organized for the students of 01 year Electronics and Telecommunication Engineering. The event was scheduled on 29th March 2023 from 10:30 AM.

The event was organized to make students aware about the exact way of introducing themselves in an interview. The speaker was Dr. Rahul Pethe, Professor, SBJITMR, Nagpur. The seminar started with a formal introduction of the speaker. The intuition behind the talk was to give the students importance of good self-introduction and provide them grooming tips. The speaker, Dr. Rahul Pethe, discussed a critical part of any job interview and tips that can help student prepare for a self-introduction in an interview: Practice your introduction beforehand, Keep it brief, Focus on your achievements, Be enthusiastic, Be confident. He asked some students to come forward and introduce themselves which was very helpful for students to

overcome their stage fear and communicate properly. Finally, there was a vote of thanks by Triyesh Yadav and the session was put open to questions wherein a lot of students discussed their issues and difficulty they face while giving self-introduction. Sir guided that a well-crafted self-introduction sets the stage for a successful job interview. By preparing in advance, personalizing your introduction, and practicing, you can confidently communicate your qualifications and leave a positive and lasting impression on the interviewer. Remember to showcase your unique strengths, align your experiences with the company's needs, and convey enthusiasm for the opportunity. Students have actively participated in one-to-one discussion with the Dr. Rakhi Patil. 107 students got benefited by the Seminar. Dr. Abhay Kasethwar, Head of the department appreciated the event with other faculty members coordinated the event along with the Departmental Forum FEETA.

The Department of Electronics and Telecommunication Engineering under IETE Students Forum-ISF in association with the Institute's Innovation Council organized an Expert talk on "Unlocking your potential: Exploring the benefits and challenges of pursuing higher studies". The event was organized for the students of III year Electronics and Telecommunication Engineering. The event was scheduled on 17th March 2023 from 03:30 PM

The event was organized to gain insights on the latest trends and developments in higher education. The speaker was Mr. Dewang Darode, Robotics Control & Testing Engineer. The seminar started with a formal introduction of the speaker. The intuition behind the talk was to give the students insights into Deep Learning with a case study. The speaker discussed the research gaps and relevant tools in this area. He also inspired the students to pursue higher studies and to delve into the details of a technical problem that they were working on. The talk was very inspiring for the students with numerous examples from real life situations. There were examples from movies, from current celebrities and from games. Finally there was a vote of

thanks by Rakshita Sodekar and the session was put open to questions wherein a lot of students discussed their project work issues and other questions to widen their curious appetites. Students have actively participated in one-to-one discussion with the guest. 74 students got benefited by the Seminar. Dr. Abhay Kasetwar, Head of the department appreciated the event. Prof. Ayushi Jaiswal coordinated the event along with the IETE Students Forum-ISF committee.

IETE Student Forum-ISF of Electronics and Telecommunication Engineering Department in association with Institution's Innovation Council-IIC organized an event "CODE CLASH: The Innovative Edition". For the students of II and III year on 04/03/2023 at 3:30 PM. The purpose is to evaluate the student's competence in technical & analytical skills

The event was organized to identify people with excellent programming skills who can develop code with sound logic and good programming skills. It aims to develop the programming culture by providing competition that enhances the knowledge and experience of programming. Prof. Vivek Deshmukh judged the competition. The competition was conducted in two rounds. The first round was a programming round in which the participants were asked to write the programming in any language (C, C++, JAVA and Python) within 20 minutes. Out of 50 participants, 15 students were selected for the second round. The second round was again a programming round with more difficult problem statements in which the selected participants were asked to develop the code within 40 minutes. From the second round, two winners and

three runner-up's students were winning participants. The competition concluded successfully with great words of encouragement and appreciation from the respected judge, Dr. Abhay R. Kasetwar, Head of Department congratulated the winners and team for organizing such a wonderful activity. Forum in charge Prof. Ayushi Jaiswal & Prof. Ashwini Anjekar and ISF committee members coordinated the event.

Departmental forum FEETA in collaboration with National Service Scheme (NSS) organized capacity development Life skill activity "Health Hygiene survey" in the neighborhood community at Borgaon to sensitize students to social issues about health & Hygiene & an outreach program "Swachh Bharat Abhiyan" to achieve the vision of a Clean India & awareness campaign about the importance of cleanliness amongst citizens at Zilla Parishad School & Gnt Gram Panchayat, Borgaon on 24/02/2023 at 11:00AM. Students cleaned the campus of Zilla Parishad School and raised the slogan 'One step towards cleanliness'. The NSS volunteers participated in creating awareness among public, informing them about the importance of cleanliness. The students also took the initiative to clean the surroundings of vicinity. The volunteers cleaned the entire campus wearing gloves and collected all the litter in big bags for disposal. The students were instructed to clean their hands with soap at the end there were total ... of students who helped towards a social cause.

Dr. S. L. Badjate, Principal and Dr. Abhay Kaserwar, Head of the Department graced the event with other faculty members and motivated the students for this social cause. Prof. Ayashi Jaiswal and Prof. Ashwini Anjekar along with student volunteers coordinated the event.

Departmental Forum FEETA of Electronics and Telecommunication Engineering in association with Institute's Innovation Council-IC organized Seminar on "Financial Assistance for small business and startups." The event was organized for the students of Final year Electronics and Telecommunication Engineering. The event was scheduled on 22nd Feb 2023 from 10:30 AM onwards.

The event was organized to aware the students about Financial Assistance for small business and startups. The speaker was Dr. Farha Hussain Khan, SBJITMR. Her lecture started with the topic on the importance of financial assistance for small businesses and startups. After that she briefly discussed the topics which were understanding the financial Landscape, Government Assistant Programs, Equity Financing, Debt Financing. After discussions with students, they were clearer about the importance of financial planning, budgeting, and cash flow management for small businesses and startups. Student actively participated in one-to-one discussion with the guest, 80 students got benefited by the Seminar. Dr. Abhay Kasetwar, Head

of the department appreciated the event with other faculty members. Prof. Ayushi Jaiswal coordinated the event along with the FEETA committee.

Department of Electronics and Telecommunication Engineering; IETE Students Forum-ISF in association with Institution's Innovation Council-IIC organized a Workshop on "Design Thinking, Critical Thinking and Innovation Design" The event was organized for the students of final year Electronics and Telecommunication Engineering. The event was scheduled on 21st February 2023 from 10:30 AM.

The workshop aimed to equip participants with essential skills and techniques to foster creativity, problem-solving and innovative thinking in various domains. The speaker was Mr. Shailesh Sakhare, Assistant Professor. The workshop began with a warm welcome and introduction by the facilitator, emphasizing the importance of design thinking, critical thinking, and innovation in today's rapidly evolving world. The session provided an overview of the design thinking methodology, its principles, and its application in problem-solving and innovation. Participants learned about the stages of design thinking, such as empathizing with users, defining problem statements, ideation, prototyping, and testing. The workshop introduced

participants to a range of design thinking tools and techniques that facilitate ideation, visualization, and problem-solving. Student have actively participated in one-to-one discussion with the guest 64 students got benefited by the Seminar. Dr. Abhay Kasetwar, Head of the department appreciated the event with other faculty members. Prof. Ayushi Jaiswal along with the IETE Students Forum-ISF committee coordinated the event.

Departmental forum FEETA of the Electronics and Telecommunication Engineering Department organized a "Workshop on Art of Writing a Research Paper". The workshop was organized on 16/02/2023 at 02:30 PM for students of IV year students.

This capability enhancement and development workshop bridges the gap between academicians & research and aware them in recent technology. The expert was Dr. Vicky Butram from S.B.I.I.T.M.R. Nagpur. Sir guided the students through various stages of publication of a research paper – selection of the broad area, identification of research gap, design of research approach and methodology, presentation of results, submission of a paper to the journal, creating revisions and responses to reviewer comments. It was really a splendid session which highlighted the growing significance of research in the contemporary academic area. Total 74 students were benefited from the seminar. Dr. Abhay Kasetwar, Head of the department appreciated the event with other faculty members. Prof. Ayushi Jaiswal and Prof. Ashwin Anjekar coordinated the event along with the ISF committee members.

IETE Students Forum-ISP of Electronics & Telecommunication Engineering department in association with Institution's Innovation Council-IIC organized a company visit to Blueberry Semiconductor to understand innovation in the semiconductor industry. This capacity building program helped students to empathize with recent advancements in semiconductor materials & developments in semiconductor technology and applications. The visit was arranged on 27/01/2023 from 11:00 AM for IV year students.

The visit focused on the Semiconductor Manufacturing Market Segmentation by type of semiconductors, type of design, region, type of application, type of distribution channel and type of distributors. India Semiconductor Manufacturing industry report concludes with projections for the future of the industry including forecasted market size by 2027, and analysts' take on the future highlighting the major opportunities. The experts gave details about Semiconductor companies that are at the center of technology innovation, finance, geopolitics, and human ingenuity, touching virtually every aspect of business and people's lives. The visit showed the semiconductors and technology that are used in microchips which are used in electronics devices such as the computer, mobile etc.

IETE Students Forum of Electronics & Telecommunication Engineering department in association with Institution's Innovation Council-IIC organized Expert talk on "Innovation in Modern Industrial Applications using digital circuits (In Nagpur Metro)" on 19/01/2023, 03:00 PM onwards for II year students. The speaker of the seminar was Mr. Vijay Matta, Jr. Engineer, Maha-Metro (Nagpur).

The event was organized to educate the students about modern industrial applications. The speaker started with the topic on industrial application of digital electronics, where it is used and what are the benefits? After that he briefly discussed the topics which are Counters, registers, FSM (Finite state machines) & Temperature sensitive devices. After discussions with students, they were clearer about the job opportunities and the future scope in Digital Electronics.

Mr. Vijay Matta explained clearly about the innovation in digital circuits, the presentation showcased active innovation in the field of digital circuits. These developments address a number of problems that have come up with 65nm technology and are putting a strain on conventional methods of circuit design. While presenting case studies from actual scenarios, he actively discussed the

IETE Students Forum-ISF of Electronics & Telecommunication Engineering department in association with Institution's Innovation Council-IIC organized Expert talk on "Microcontroller Leads to Innovation" on 19/01/2023, 02:00 PM onwards for III year students. The speaker of the seminar was Mr. Vijay Matla, Jr. Engineer, Maha-Metro (Nagpur). Mr. Vijay Matla provided an in-depth explanation of the micro-controller innovation and the session highlighted how this technology has been applied in a variety of ways to improve all areas of life. Microcontroller units, a subset of microprocessors, are now among the most important components in current electronic systems. He emphasized that microcontrollers are inseparable from the MCU, or microcontroller unit, in cutting-edge technology and contemporary industries like the military, communications, energy, robots, transportation, and IT. He engaged in a long conversation about the advantages and disadvantages of emerging technology developments in Industry Applications. He provided real-world case studies that highlighted the opportunities and difficulties associated with emerging technology advancements in industry. The seminar was more interactive and the students asked numerous questions on how the microcontroller was used in industrial applications. Total 124 students of III year were benefited from the seminar. The event was coordinated by ISF committee along with Prof. Ayushi Jaiswal and Prof. Ashwini Anjekar.

IETE Students Forum-ISF of Electronics & Telecommunication Engineering department in association with Institution's Innovation Council-IIC is organizing Expert talk on "Website design strategies-step to become Entrepreneur". The Seminar was organized for the Second year students. The Seminar was scheduled on 23rd Nov. 2022 from 4.30 pm onwards.

The event is organized to endow with a platform to exchange knowledge among young technocrats. The invited guest for seminar was Prof. Vivek Deshmukh Assistant Professor, SBITMR, Nagpur. This seminar helps the students about the used web design tools and technologies to develop a catchy website. He energetically suggested that you have a methodology that directs the website composition cycle to productivity and meeting the site objectives. Sir also very effectively stated that students have to focus on modern web design principles when designing new and existing project, it's important for businesses to keep this trend in mind when creating websites. There is website design strategy stride by step and explained the best way to make one and start on a strong premise in building new site. There are six steps to think strategically about a Web design project like Establish your goals, Identify your audience, Determine your brand image, Goal-driven design direction, Measure results, KAIZEN- it is a Japanese philosophy called "Kaizen," which focuses on continuous improvement using small steps.

There were 54 students of Second year got benefited through this Seminar. Dr. Abhay Kasetwar, Head of the department appreciated the event with other faculty members. Prof Ashwini Anjekar coordinated the event along with the committee members.
