Action Taken Report on Student Feedback-I **Date:-12/05/2023**

Student Feedback-I was conducted in the month April for the 4th & 6th semester students of the department. The responses from students have been scrutinized and summarized using online Ioncudos software. The summary is discussed with concerned faculties by the HoD and actions are initiated at department level.

The Key observations (points) from summary and actions are listed as follows.

- It is found that out of twenty two courses (Theory & Practical) as listed in Feedback-1 consolidated chart all the twenty two courses (Theory & Practical) got Very Good (above 70%) feedback rating.
- The feedback is shown to Course In-charge and discussed by Head of Department.
- Efforts of Course In-charge are appreciated and they are motivated to perform better.

Action Taken Report on Student Feedback-II **Date:-29/05/2023**

Student Feedback-II was conducted in the month May for the 4th & 6th semester students of the department. The responses from students have been scrutinized and summarized using online Ioncudos software. The summary is discussed with concerned faculties by the HoD and actions are initiated at department level.

The Key observations (points) from summary and actions are listed as follows.

- It is found that out of **Twenty two courses (Theory& Practical)** as listed in **Feedback-2** consolidated chart **Two courses** (Theory& Practical) got **Excellent feedback** rating (above 85%) and remaining are having feedback rating **Very Good** (above 70%) .
- The feedback is shown to Course In-charge and discussed by Head of Department.
- Appreciation letter is issued to Course In-Charges having excellent rating in feedback (above 85%).
- Efforts of Course In-charge are appreciated and they are motivated to perform better.

Action Taken Report on Course End Survey

Date: 14/06/2023

The Course End Survey was conducted for students in the 4th and 6th semesters of the department in the month of June. The responses from students have been scrutinized and summarized using the online IonCudos software. The summary has been discussed with the concerned faculties by the HoD, and actions have been initiated at the departmental level.

The Key observations (points) from summary and actions are listed as follows.

- In the Course End Survey Feedback, it has been observed that out of a total of twenty-two courses (theory and practical) in the program, all the courses received a very good feedback rating (>70%).
- The feedback was shown to Course In-charge and discussed by Head of Department.
- Efforts of Course In-charge were appreciated and they were motivated to perform better.
